This is a test report

This is heading 2

This is a paragraph. It contains quite some text to make sure it looks like a paragraph. Don't read all of it. You'll learn nothing. It's wasted time in fact. By the way, what's the difference between 'wasted' and 'waisted'? Is there any? Ok, this should be enough text to give you an idea of what a paragraph looks like. Oh, and by the way, reportlab is quite awesome. So far, I'm loving it.
